

LEARNING AND ENRICHMENT

Forward-thinking initiatives that help make sure kids come home from their holiday with more than just a suntan

LES VILLAGES NATURE, PARIS

A future-proofed, eco-powered resort with its own Aqualagon and BelleVie farm - all interactive for kids, with honey workshop, breadmaking and creative gardening.

LAGO, E

for kids offers to Ferdinand, y, rugby with dance with son.

WOOLLEY GRANGE, NEAR BATH

Woolley Grange makes kids feel like they're part of the family, making pesto with the chef, walking Rex the dog and planting with the gardener.

PEAK RETREATS

Peak Retreats' new 'Winning at Winter' challenge encourages children to complete fun activities and try off-the-slope experiences from their long list of 20, in order to earn certificates and gifts. Possibilities range from attempting a ski jump to non-ski-related challenges, such as trying French mountain food. This French Alps specialist wants to encourage families to try something different together while they're away.

ZSL LONDON ZOO

Overnight stays at London Zoo are brought to life by the guides who have encyclopaedic knowledge of the animals and conservation issues they face.

JODRELL BANK DISCOVERY CENTRE

Children get a taste of space research with live science shows, Meet the Expert Q&As, storytelling and Tiny Astronauts sessions. →
